

UNIFORM MONITORING PROCESS
FOR RESIDENTIAL CHILD CARE PROGRAMS
AS DEFINED IN COMAR 14.31.05-07

Notification To State Agencies

Planned Announced Visits

- Licensing agencies shall provide their planned schedule of site visits three months in advance and will communicate any changes as soon as possible but no less than 5 business days prior to the scheduled site visit to the State placement agencies and the Governor's Office for Children (GOC)
- If a placement agency and or state partner is planning on accompanying the licensing agency, they will contact the person responsible for the visit, a minimum of ten business days prior to the scheduled visit to notify of the intent to attend the site visit

Planned Unannounced Visits

- Licensing agencies shall provide notification to the state placement agencies and the GOC of the planned unannounced site visit at least of five business days prior to the visit
- If a placement agency and or state partner is planning on accompanying the licensing agency, they will contact the person responsible for the visit, prior to the scheduled visit to notify of the intent to attend the site visit

Emergency Visits

- When feasible, the Licensing Agency will provide the placing agencies and the GOC with 24 hour notice of an emergency site visit
- If a placement agency and or state partner is planning on accompanying the licensing agency, they will contact the person responsible for the visit, as soon as possible to notify them of the intent to attend the emergency site visit

Notification To Providers
